#### **None of the Above**

<http://noneabove.org>

Take 8 gifted voices from a myriad of musical backgrounds...

Add equal parts of early polyphony, cutting-edge modern harmony, familiar folk songs, uplifting spirituals, catchy pop tunes, and lush jazz standards...

You'll get the eclectic, thought-provoking, and entertaining performance that only None of the Above can deliver to your next event.

NOTA was founded in 2003 and has appeared at venues large and small in the greater Boston area. We have produced several a cappella showcase concerts including Acappellabowl (benefit concert) and our annual vocal music event, Spring Fev-ah. NOTA placed third in the 2009 Boston Regional Harmony Sweepstakes. Most recently, we have been selected to participate in the 17<sup>th</sup> annual Battle of the Blends in Lewiston, ME.

#### **Fretless**

Fretless weaves the voices of five accomplished performers into a tapestry of lush harmonies and fascinating lyrics. Our 5-Star a cappella features an entertaining and eclectic mix of lively pop tunes, demanding classical works, and off-beat gems from the great American songbook. Formed in 1999, Fretless performs throughout the greater Boston area, including a recent appearance at Fenway Park to sing the National Anthem for the Boston Red Sox.

The name Fretless represents the musical freedom — and challenge — of making music with a fretless instrument, the human voice. Each song is lovingly and impeccably crafted until it shines. By turns hilarious, moving, and exquisite, Fretless offers up familiar tunes in new ways, and will introduce you to new tunes that will instantly become old favorites.

A Choired Taste is Marlborough High School's premiere co-ed a cappella group. This group of 20 talented students perform traditional choral literature and since 2008, the group has also been performing contemporary a cappella arrangements. They have had the honor of performing the National Anthem at Fenway Park, singing on stage with rock group Foreigner, and have consistently received high rankings at the MICCA Choral Festival. They are looking forward to this exciting opportunity to sing with NOTA!

### **A cappella Anonymous**

A Cappella Anonymous is one of Wellesley High School's 3 a cappella groups. Founded in 2007 by Lauren Grewal, Lisa Hu, and Gabbi Newton, the group consists of male and female members from all grade levels and choral ensembles. A Cappella Anonymous is completely student-run (by Ellie Mears '11, Alyssa Dillon '11, and Conor Chinitz '13) and performs arrangements written by the students themselves. The group meets after school and on weekends for rehearsals and performs locally for benefit concerts and other gigs.
